THE BUGS ARE BACK!

Kids can't get enough of David A. Carter's funny, friendly, fascinating bugs... so here are: MORE BUGS IN BOXES - A sequel to the wildly popular *How Many Bugs in a Box?* There are dancing bugs and doodle bugs Musical bugs and magical bugs! Saw bugs and singing bugs! Kids can even design their own bugs and compose their own bug songs! This brand new collection contains colorful multimedia games, mazes, sing-alongs and puzzles. The inventive animations will delight a child's eye and the silly sound effects will tickle their ribs. In eight repayable, multi-level learning games, kids play their way to these important skills:

- Color and pattern recognition in *Rainbow Bug*
- Following multistep directions in *Build a Bug* with the hilarious Dr. Bugenstein
- Visual discrimination in *Same and Different*
- Musical memory in *Spots on a Bug*
- Creative drawing in *Doodle Bug* - and a read-along book that kids can follow at their own pace!

From reader reviews:

Walter Godinez:

Why don't make it to be your habit? Right now, try to prepare your time to do the important act, like looking for your favorite publication and reading a publication. Beside you can solve your condition; you can add your knowledge by the book entitled More Bugs in Boxes. Try to stumble through book More Bugs in Boxes as your buddy. It means that it can for being your friend when you experience alone and beside that of course make you smarter than before. Yeah, it is very fortunated for you personally. The book makes you far more confidence because you can know every thing by the book. So , let me make new experience in addition to knowledge with this book.

Rebecca Walton:

Playing with family in a very park, coming to see the water world or hanging out with pals is thing that usually you could have done when you have spare time, after that why you don't try point that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love More Bugs in Boxes, you may enjoy both. It is fine combination right, you still wish to miss it? What kind of hang-out type is it? Oh can happen its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

Scott Lowe:

You may spend your free time to study this book this guide. This More Bugs in Boxes is simple to develop you can read it in the recreation area, in the beach, train along with soon. If you did not get much space to bring often the printed book, you can buy the particular e-book. It is make you better to read it. You can save the particular book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

John Yates:

Is it anyone who having spare time and then spend it whole day through watching television programs or just resting on the bed? Do you need something new? This More Bugs in Boxes can be the response, oh how comes? A fresh book you know. You are thus out of date, spending your time by reading in this new era is common not a geek activity. So what these ebooks have than the others?
