## **More Tomorrow & Other Stories** Michael Marshall Smith

Finally available in electronic format, this is Michael Marshall Smith's first collection of ground-breaking dark fiction — and this International Horror Guild Award-winning collection includes several of the stories that have made him the only writer to have won the British Fantasy Award four times.

“It’s not the craft and skill that Michael Marshall Smith displays in his short stories that I object to. It’s not the easy wit, or the comfortable way he deploys language as a weapon. It’s not even that way that he can conjure people so real in so few words. It’s that, when a Mike Smith short story is over, it’s pretty much guaranteed that there will be some moment, scene or revelation frozen in the back of my mind that I’ll never be able to get out of my head, not even if I scrub it with wire wool so it bleeds.”

—Neil Gaiman

“Michael Marshall Smith’s short stories are consistently sharp, slick, original, witty, disquieting, entertaining, and plain brilliant.”

— Graham Joyce

"Michael Marshall Smith writes the kind of dreams we don't like to talk about, but can't get out of our minds once we've had them."

Jonathan Carroll

"Michael Marshall Smith is the most consistently brilliant short story author I have worked with over the past twenty years. He continues to amaze and delight me with the wit, intelligence and sheer creativity of his writing."

— Stephen Jones
