Save Energy and You Will Save Money

Smart Ways to Reduce Your Energy and Utility Bills (illustrations)

Simple explanations of how you can tackle the problem of a high energy bill. Easy and low cost strategies to reduce energy costs and have more money to spend on your family.

Families who are suffering financial troubles will discover some great ways to save money. You can just switch light bulbs, use different settings on devices, wash at non peak times, how to get around using only one refrigerator, making use of certain devices (which are only costing you pennies to run) and staying away from others.

You are shown how to work with nature and be smart about lighting and the non-use areas of your home. Its a pretty comprehensive book and points you in directions where you can research and become more involved in the subject of energy saving if you so choose.
