The Lives of Lee Miller Antony Penrose

"Part memoir, part photo essay, part search for the real woman behind an unconventional mother....Should ensure Miller the place she deserves in future histories of the period."—*Art in America*

- Lee Miller: 1927: New York. Classically beautiful, she is discovered by Condé Nast and immortalized by Steichen, Hoyningen-Huene, Horst, and other famous photographers.
- Lee Miller: 1929: Paris. Protégé and lover of Man Ray, she invents with him the solarization technique of photography and develops into a brilliant Surrealist photographer.
- Lee Miller: 1939-1945: Europe. She becomes a U.S. war correspondent and covers the liberation of Paris. Her photographs of the Dachau concentration camp shock the world.

These are but three of the many lives of Lee Miller, intimately recorded here by her son, Antony Penrose, whose years of work on her photographic archives unearthed a rich selection of her finest work, including portraits of her friends Picasso, Braque, Ernst, Eluard, and Miró. To these are added many other photos that complement Penrose's highly readable biography of this uniquely talented artist. 171 duotone illustrations.

From reader reviews:

Oliver Crites:

Inside other case, little men and women like to read book The Lives of Lee Miller. You can choose the best book if you love reading a book. So long as we know about how is important the book The Lives of Lee Miller. You can add expertise and of course you can around the world by the book. Absolutely right, mainly because from book you can realize everything! From your country until eventually foreign or abroad you can be known. About simple matter until wonderful thing you can know that. In this era, you can open a book or searching by internet unit. It is called e-book. You should use it when you feel weary to go to the library. Let's study.

Charles Simpson:

The book The Lives of Lee Miller can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book The Lives of Lee Miller? Wide variety you have a different opinion about publication. But one aim that will book can give many facts for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or information that you take for that, you are able to give for each other; it is possible to share all of these. Book The Lives of Lee Miller has simple shape but you know: it has great and big function for you. You can appearance the enormous world by open up and read a guide. So it is very wonderful.

Josie Garcia:

People live in this new day time of lifestyle always attempt to and must have the spare time or they will get lot of stress from both daily life and work. So , once we ask do people have spare time, we will say absolutely yes. People is human not a robot. Then we ask again, what kind of activity are there when the spare time coming to an individual of course your answer will probably unlimited right. Then do you ever try this one, reading books. It can be your alternative with spending your spare time, the particular book you have read is usually The Lives of Lee Miller.

Sally Canady:

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this The Lives of Lee Miller can make you sense more interested to read.
