## **The Pearl** John Steinbeck

In this short book illuminated by a deep understanding and love of humanity, John Steinbeck retells an old Mexican folk tale: the story of the great pearl, how it was found, and how it was lost. For the diver Kino, finding a magnificent pearl means the promise of a better life for his impoverished family. His dream blinds him to the greed and suspicions the pearl arouses in him and his neighbors, and even his loving wife cannot temper his obsession or stem the events leading to the tragedy.

For Steinbeck, Kino and his wife illustrate the fall from innocence of people who believe that wealth erases all problems. Originally published in 1947, *The Pearl* shows why Steinbeck's style has made him one of the most beloved American writers: it is a simple story of simple people, recounted with the warmth and sincerity and unrivaled craftsmanship Steinbeck brings to his writing. It is tragedy in the great tradition, beautifully conveying not despair but hope for mankind.

### From reader reviews:

#### **Barbara Akins:**

Precisely why? Because this The Pearl is an unordinary book that the inside of the guide waiting for you to snap it but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who else write the book in such wonderful way makes the content inside of easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of gains than the other book get such as help improving your expertise and your critical thinking method. So , still want to hold off having that book? If I have been you I will go to the reserve store hurriedly.

#### **Karen Jude:**

Are you kind of hectic person, only have 10 or maybe 15 minute in your time to upgrading your mind expertise or thinking skill also analytical thinking? Then you are receiving problem with the book than can satisfy your short space of time to read it because this time you only find reserve that need more time to be examine. The Pearl can be your answer given it can be read by you who have those short free time problems.

#### **Markus Walker:**

Is it anyone who having spare time then spend it whole day by simply watching television programs or just lying on the bed? Do you need something totally new? This The Pearl can be the respond to, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

#### **Timothy Lumpkin:**

Reading a guide make you to get more knowledge from that. You can take knowledge and information from your book. Book is created or printed or outlined from each source that will filled update of news. In this modern era like right now, many ways to get information are available for a person. From media social similar to newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Are you ready to spend your spare time to spread out your book? Or just in search of the The Pearl when you necessary it?
