*William Worthington Fowler*

## **Twenty Years of Inside Life in Wall Street or Revelations of the Personal Experience of a Speculator (Annotated) (Qualitative Finance) (Volume 2)** William Worthington Fowler

This is a manually remastered annotated edition (not a scan) of Fowler's classic saga.

### **Conspiracies and Corners, Greenbacks and Gold, War and Peace, Bubbles and Bear Raids, Riches and Ruin, Margin Calls and Crashes, the Great Panic and the Great Depression**

Wall Street ran red with the blood of suicides and murder. A lucky few survived and thrived, and of those, a tiny fraction had lasting influence.

Enjoy the thrilling true story in this annotated newly remastered illustrated print edition of William Worthington Fowler's classic chronicle of the New York traded markets from 1860-1880, a period that spanned the Civil War, the post war bubble, worthless paper money, the Black Friday Gold Panic of 1869, the Great Panic of 1873, and the consequent first and worst seven year Great Depression. He witnessed how U.S. government paper money replaced specie leading to bubbles, panics, and crashes.

Fowler met the most influential financiers of the day including Jay Gould, James "Diamond Jim" Fisk, Jr., Cornelius Vanderbilt, Jacob Little, Daniel Drew, Leonard Jerome, Addison Jerome, David Groesbeck, and Henry Keep. Their fortunes rose and fell on margin, carry, and derivatives including puts, calls, and futures. They risked everything speculating in equities and a wide range of commodities including gold, silver, cotton, oil, and more. Fowler's tale entertains as he exposes the great corners, trading rings, conspiracies, bear twists, manipulations, and frauds.

#### **About the Annotated Edition**

**The foreword and annotations by Janet M. Tavakoli** draw parallels between the Panic of 1873 and Great Depression of 1873-1880 with the financial crisis of 2008 and the ongoing Great Recession. Edited to correct errors and inconsistencies in the original edition. Includes additional biographical and background material. This edition is not a scan; it is a fresh manual transcription of the original.
