Beirut

Samir Kassir

Beirut Samir Kassir

Widely praised as the definitive history of Beirut, this is the story of a city that has stood at the crossroads of Mediterranean civilization for more than four thousand years. The last major work completed by Samir Kassir before his tragic death in 2005, *Beirut* is a tour de force that takes the reader from the ancient to the modern world, offering a dazzling panorama of the city's Seleucid, Roman, Arab, Ottoman, and French incarnations. Kassir vividly describes Beirut's spectacular growth in the nineteenth and twentieth centuries, concentrating on its emergence after the Second World War as a cosmopolitan capital until its near destruction during the devastating Lebanese civil war of 1975-1990. Generously illustrated and eloquently written, *Beirut* illuminates contemporary issues of modernity and democracy while at the same time memorably recreating the atmosphere of one of the world's most picturesque, dynamic, and resilient cities.

From reader reviews:

Paul Eastman:

The book Beirut make one feel enjoy for your spare time. You can utilize to make your capable far more increase. Book can to get your best friend when you getting pressure or having big problem along with your subject. If you can make studying a book Beirut to become your habit, you can get more advantages, like add your current capable, increase your knowledge about a number of or all subjects. You could know everything if you like wide open and read a book Beirut. Kinds of book are several. It means that, science publication or encyclopedia or some others. So , how do you think about this e-book?

Darcie Hartman:

The book Beirut can give more knowledge and also the precise product information about everything you want. Why must we leave the good thing like a book Beirut? Some of you have a different opinion about book. But one aim this book can give many facts for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or details that you take for that, you may give for each other; you could share all of these. Book Beirut has simple shape but you know: it has great and massive function for you. You can search the enormous world by open and read a e-book. So it is very wonderful.

Jeannette Villalobos:

Your reading 6th sense will not betray you actually, why because this Beirut publication written by well-known writer who really knows well how to make book that may be understand by anyone who also read the book. Written with good manner for you, still dripping wet every ideas and creating skill only for eliminate your own personal hunger then you still doubt Beirut as good book not merely by the cover but also by content. This is one book that can break don't judge book by its include, so do you still needing an additional sixth sense to pick that!? Oh come on your examining sixth sense already alerted you so why you have to listening to an additional sixth sense.

Bessie Scudder:

A lot of publication has printed but it takes a different approach. You can get it by internet on social media. You can choose the very best book for you, science, comedian, novel, or whatever by simply searching from it. It is identified as of book Beirut. You can contribute your knowledge by it. Without leaving the printed book, it might add your knowledge and make anyone happier to read. It is most critical that, you must aware about publication. It can bring you from one destination to other place.
