Charlie and Pearl Tammy Robinson

'You know how sometimes, you have these moments when everything in your life just falls into place in one perfect moment and you look around and think, this is it; this is what life is about, this exact, perfect moment in life that I'm living right now. You may not be rich, or have a job you love. But something in your life, your family, a friend, your dog who loves you unconditionally, or your partner/wife/husband/lover, something or someone just occasionally breaks through the stresses of the everyday bullshit and makes you stop and smile and think....oh yes. This, this moment right here, is what it's all about. That's how I felt every second of every minute when I was with Pearl. She is the stars, the sun, and the moon. The butterflies, the rainbows, the puppies, the music, the chocolate, the soft cushions, spring flowers. The jacket that keeps you warm on a cold winter's day. She is everything that is beautiful in this world.' Charlie is exactly the kind of guy dads want their daughters to bring home. Reliable, loyal and devastatingly sweet, any girl would be lucky to have him. Or so his mum frequently says. In the small coastal New Zealand town where he was born and grew up though, love has so far managed to elude him, and he passes his days behind the counter of the local bookshop working for a boss suffering from the early onslaught of dementia. Then fiery Pearl blows into the bay, nursing a broken heart and a tragic secret. She's determined to see out the winter in her Grandmothers run down beach house, with nothing but wine and the cry of gulls to disturb her solitude. Their paths cross after she falls asleep in the bookshop, and their resulting love will devastate a town and leave no one untouched. Charlie and Pearl is a story of unconventional love; of finding that spare part you never knew you were missing, and of what happens when love is simply not enough.

From reader reviews:

David Smith:

The actual book Charlie and Pearl has a lot associated with on it. So when you check out this book you can get a lot of advantage. The book was written by the very famous author. The author makes some research previous to write this book. This kind of book very easy to read you can find the point easily after scanning this book.

Alfred Leahy:

Charlie and Pearl can be one of your beginner books that are good idea. All of us recommend that straight away because this e-book has good vocabulary that may increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The article writer giving his/her effort to put every word into delight arrangement in writing Charlie and Pearl but doesn't forget the main position, giving the reader the hottest and based confirm resource information that maybe you can be among it. This great information could drawn you into completely new stage of crucial imagining.

Neil Espinoza:

With this era which is the greater man or who has ability to do something more are more important than other. Do you want to become among it? It is just simple method to have that. What you have to do is just spending your time not much but quite enough to have a look at some books. One of several books in the top collection in your reading list is usually Charlie and Pearl. This book and that is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking way up and review this e-book you can get many advantages.

Mark Morrow:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Charlie and Pearl can make you truly feel more interested to read.
