Meant to Be Lauren Morrill

A girl with it all planned out discovers a romance she never expected in this funny debut about a class trip to London that HelloGiggles.com says you'll love "if you're into swoony romances with a little bit of history thrown in."

This spring break, Julia's rules are about to get defenestrated (SAT word: to be thrown from a window) when she's partnered with her personal nemesis, class-clown Jason, on a school trip to London. After one wild party, Julia starts receiving romantic texts . . . from an unknown number! Jason promises to help discover the identity of her mysterious new suitor if she agrees to break a few rules along the way. And thus begins a wild goose chase through London, leading Julia closer and closer to the biggest surprise of all: true love. *Because sometimes the things you least expect are the most meant to be.*

"Readers of Jennifer E. Smith and Stephanie Perkins will revel in this debate about love ruled by the stars or as a matter of the heart." --*Shelf Awareness*

"Fun, fresh and irresistibly romantic. STB (SURE to be) loved!" --Sarah Mlynowski

"Star-crossed characters, hilarious dialogue, and a perfect London setting. I loved *Meant to Be!*" --Robin Benway, author of *Emmy & Oliver*
