Practice Makes Perfect (Berkley Sensation) Julie James

From the *New York Times* bestselling Julie James comes this "tantalizing dessert--a delicious delightful read that all hopeless romantics will enjoy" (*Chicago Sun-Times*). For fans of Susan Mallery and Rachel Gibson.

WHEN IT COMES TO THE LAWS OF ATTRACTION...

Payton Kendall and J.D. Jameson are lawyers who know the meaning of objection. A feminist to the bone, Payton has fought hard to succeed in a profession dominated by men. Born wealthy, privileged, and cocky, J.D. has fought hard to ignore her. Face to face, they're perfectly civil. They have to be. For eight years they've kept a safe distance and tolerated each other as co-workers for one reason only: to make partner at the firm.

...THERE ARE NO RULES.

But all bets are off when they're asked to join forces on a major case. At first apprehensive, they begin to appreciate each other's dedication to the law—and the sparks between them quickly turn into attraction. But the increasingly hot connection doesn't last long when they discover that only one of them will be named partner. Now it's an all out war. And the battle between the sexes is bound to make these lawyers hot under the collar...
