Psychological Assessment in the Workplace: A Manager's Guide Mark Cook, Barry Cripps

This book covers the assessment of people within the workplace. Written in jargon free language, it offers a guide to psychological assessment that can be used by managers in their everyday work. Each chapter will specifically cover an assessment practice and then explore the issues surrounding it, following this discussion with a case study. Ideas for test selection, guidance on assessment centre practice and illustrations of successfully worked exercises are also included.
