Raising Kick-Ass Girls, A Father's Journey Shay Jensen

When asked how many children I have, I have been responding recently that I have one son and four kick-ass girls. I noticed that people either laugh out loud or break out in a smile when I say this.

A short time ago, as I was driving down the highway near my home, a complete table of contents appeared in my mind's eye. I wrote it down, typed it into my computer as soon as I got home and set it aside.

I gave it a lot of thought and realized that I had quite a bit to do with this phenomenon. Currently, my girls range in age from 45 to 24 years. All of them are optimistic, mentally strong, think for themselves, don't let other people push them around, and are productive, to name just a few of their characteristics.

This is not to say they are not feminine. For they certainly are. They are just independent thinkers.

This book is more of a manual and is written from a father's perspective. A guidebook, as it were. It covers 20 areas, from infancy through the teen years. While they were growing up, I gently, deliberately, prodded, advised, encouraged them and, in this way, helped make them into the women they are today.

The reader should keep it, read it and refer to it for help in the areas of life in which we all, as parents, are confronted with behaviors that can be puzzling and difficult to figure out what to do.

Areas such as the inevitable first discussions about sex, the first time they experience a lost love, challenging them in such a way as to get a positive outcome, helping them to solve their problems.

It is not meant to provide solutions but merely to suggest ways in which I handled situations and, therefore, to give you a starting point.

We hope you enjoy the book.

From reader reviews:

Quentin Ryan:

Reading a guide tends to be new life style on this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Lots of author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the ebooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors these days always try to improve their expertise in writing, they also doing some study before they write on their book. One of them is this Raising Kick-Ass Girls, A Father's Journey.

Rodney Wilson:

The reserve with title Raising Kick-Ass Girls, A Father's Journey has lot of information that you can understand it. You can get a lot of gain after read this book. This book exist new know-how the information that exist in this publication represented the condition of the world now. That is important to yo7u to learn how the improvement of the world. This specific book will bring you throughout new era of the globalization. You can read the e-book on the smart phone, so you can read that anywhere you want.

Nichole Gibson:

This Raising Kick-Ass Girls, A Father's Journey is great book for you because the content which is full of information for you who also always deal with world and have to make decision every minute. This specific book reveal it data accurately using great organize word or we can say no rambling sentences inside. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having Raising Kick-Ass Girls, A Father's Journey in your hand like keeping the world in your arm, information in it is not ridiculous just one. We can say that no book that offer you world throughout ten or fifteen small right but this guide already do that. So , this can be good reading book. Hey Mr. and Mrs. hectic do you still doubt this?

Eric Kyler:

A number of people said that they feel uninterested when they reading a reserve. They are directly felt the item when they get a half regions of the book. You can choose the particular book Raising Kick-Ass Girls, A Father's Journey to make your current reading is interesting. Your skill of reading skill is developing when you similar to reading. Try to choose basic book to make you enjoy to see it and mingle the idea about book and reading through especially. It is to be very first opinion for you to like to open up a book and examine it. Beside that the publication Raising Kick-Ass Girls, A Father's Journey can to be your friend when you're truly feel alone and confuse in doing what must you're doing of this time.
