## **You Ain't Seen Nothing Yet: Music and Photography** Rein Deslé

The love affair between music and photography dates back many years and pop and rock artists have always used top photographers to put a face on their music; despite the music industry's many troubles over the past two decades, the link between sound and image is stronger than ever.

You Ain't Seen Nothing Yet displays a range of work from some highly individual and original photographers: intimate behind-the-scenes views of the music world, eccentric group portraits and iconic album cover material.

This is the first book ever to be published with its own, free, online Spotify soundtrack.

Text in English and Dutch.
