This method promotes the learning of Spanish language and culture through child-adult interaction. It focuses on relevant vocabulary, basic grammar and auditory comprehension, and consists of three components: a textbook, a workbook (with an answer key) and an audio CD. This is the textbook. Check the workbook and CD also here at Amazon (ISBN: 0974503215). The charming illustrations add graphic expression to the lexicon. The text also gives students a first glimpse into indigenous cultures that are part of the Spanish speaking world. You can download two complete sample chapters of the Textbook and the Grammar and Exercise Manual at: www.allbilingual.com
