Owning a puppy is very exciting! All puppies are very cute and all you want to do is cuddle them and play with them all day. However, owning a puppy is a really big responsibility for the whole family.

This book is aimed at children between the ages of 6 and 10 to explain some of the basics about puppy care.

It is packed with really cute pictures of Monty the St Bernard puppy, the pictures really help explain some of the ideas in the book.

When your new puppy comes home for the first time, he probably won't be as excited as you are. He will miss his brothers and sisters from the litter, he will be probably be a bit frightened. This book will explain all this to you and give you some ideas how to make the puppy feel at home.

Puppies love to eat, but they only have little tummies. The book will explain why it is important to give puppies special foods and why they shouldn't get human food.

Potty training your puppy is very important and something that you will want to help your family with. By understanding how this works, you won't do the wrong thing and this will help train your puppy quicker. This book explains all about potty training for puppies

Your puppy will have to go the vet for some shots. This is completely normal, but sometimes the puppy will feel a bit sad afterwards. Don't worry about going to the vet, this book explains it all.

Walking and playing with your puppy is the really fun part of owning a dog. This book will explain how to do it probably and have great fun in doing it.

The book also explains about crates, why puppies sleep all the time, how to stop a puppy biting you, puppy teeth and chewing!

Once you have read this book, you will understand all about how to care for your exciting new puppy!
