**Right or Wrong, God Judge Me: THE WRITINGS OF JOHN WILKES BOOTH** John Wilkes Booth  
Superbly edited and annotated, this collection of the writings of John Wilkes Booth constitutes a major new primary source that contributes to scholarship on Abraham Lincoln, the Civil War, and nineteenth-century theater history. The nearly seventy documents - more than half published here for the first time - include love letters written during the summer of 1864, when Booth was conspiring against Lincoln, explicit statements of Booth's political convictions, and the diary he kept during his futile twelve-day flight after the assassination.
