### **Book Three: Count Down - The Concise Epitaph of Humanity**

Earth is invaded, no, overborne by an unstoppable and inexorable enemy from beyond our dimension. These beings, beyond our comprehension, have begun to destroy our world, and have tendered an ultimatum. They demand that an unknown author, chosen seemingly at random, be tasked with giving a full disclosure, and a

true apology for all of humankind, and in that same document he must explain to the impending executioners why we should be pardoned and allowed to live.

Matt didn't feel that way. He wanted to rise to the top, and he was determined to do it. He put on his suit and grabbed his bag after downing a bagel. He checked the mirror to make sure his blond hair was perfect as he made his way out the door to find his fortune.
