The United States President is missing, and secret service has no suspects, or even an indication of how his disappearance occurred. Vice president Cheney makes an executive decision to deceive the country with a lookalike George Bush. President George Bush's wife Laura ruins his opportunity to return safely by joining forces with the executive branch of government in a conspiracy against the American people. Would karma deal a blow to President George Bush for not signing into law the reparations act bill for African Americans, or is this a bad dream? Could a taste of American History be as easy to digest if the ethnical roles of dominance get reversed? How will George Bush fair in a world where a black man, named Barack Obama, is president during the term he thought he was to be serving? He will soon find that even a mention of himself as president could have him arrested. This bizarre turn of events takes George Bush on a journey that he may never return from unless he comes to terms with the man on the other side of the mirror.
