Boy Scouts of America Handbook for Boys: Fourth Edition

"This HANDBOOK FOR BOYS, the Official Manual for Boy Scouts, since it was first published in 1910 has been the Country's best seller, with the exception of the Bible. In this [the fourth] edition [1940], for the first time, appears the new nature section with entirely new text, which has been developed by experts. New illustrations and an entirely new treatment make this, it is believed, the most modern and helpful material of this sort produced for boys of Scout age."
