The ones you grew to love and hate are back with more drama, envy, lust, and murder. Tired of the blood bath and planning funerals, Precious is determined to leave the game behind and focus on raising her fallen friend's precious son. She soon learns that it's easy to enter the game, but hard to leave it. Stunning betrayals and unbearable agony force Precious to reevaluate everything she thought she knew. One thing is certain, friends don't exist, and Envy truly is the root of all evil.

Nae Nae is back in full effect and happily engaged! Besides finding love, she has made it her duty to force Precious off her throne and to snatch her crown. Now that her one weakness has been revealed, Nae Nae is more determined than ever to establish herself as a force to be reckoned with. She won't rest until she avenges her daughter and reclaims everything that was taken from her.

Shaniya thought she was delivered from evil, until she finds out that her happily ever after fairytale was nothing more than a fable. Once again, she's back in Nae Nae's grasp. Now, older and wiser, Shaniya is not the impressionable lost soul that she once was. Nae Nae, and anyone else who crosses her, had better be ready for war.
