BOOK #1: One Day Crochet: Easy Afghan Projects You Can Complete in 24 Hours

The idea behind this book is truly two-fold; we wanted to include something for those that are experts in the craft of crocheting and also to draw in those that are new to the craft. Most people look at a crocheted item and think that it is just, too hard or that it takes much more time than they have to spare. That really is not the case and that is why this is the perfect book for everyone. People that have been crocheting for years will be able to find quick and simple afghan projects for when they find themselves in need of a quick gift because; they forgot someone's birthday. Those that are new to the craft will find that they can create awesome Afghan projects in twenty-four hours or less.

Many people find that they lose interest in projects that take too long to complete and they inevitably get shoved in a closet or drawer to never be finished. This book can help to avoid the drawer of crafts gone by and give you a feeling of satisfaction; not to mention lots of beautiful Afghans to share with friends and family. Below is a list of what we will be covering in the book; some you may already know, but will be a great refresher and some may be a learning experience for you.

Below is a list of what we will be covering in the book:

- A brief history of crocheting
- Health benefits of crocheting
- Basic tools for you crocheting needs
- Patterns for one-day Afghans
