Valley Forge David Garland

The American war of independence is entering a new phase. Gone are the days when the British forces could assume an easy victory followed by a heroic return to their homeland. The rebels have established themselves as a scrappy and resilient bunch who will not roll over for the highly trained but incompetently led redcoats.

After a sound defeat and humiliating surrender at Saratoga, Captain Jamie Skoyles and the rest of the surviving members of his British regiment are sequestered in Cambridge, prisoners of war living under the watchful gaze of the rebel army. Frustration is mounting due to both their mistreatment at rebel hands and the indignity of their thrashing on the battlefield. What's more, Skoyles remains a man divided; while he's been loyal to the crown for decades, his allegiance is increasingly pulled in the direction of the courageous and steadfast American forces and their noble cause.

Though he's bound by the accords signed upon the surrender to remain with his men and await shipment back to London, a restless Skoyles escapes and makes his way as a double-agent toward Valley Forge, where the rebel commander General George Washington puts his trust in him. As Skoyles skillfully plays both sides against each other, he is soon faced with a tremendous choice: Will he fulfill his mission and bring down the rebel leader, perhaps turning momentum toward his British countrymen? Or will Skoyles allow his rebel sympathies to control his actions, and squander Britain's best chance to bring the rebellion to its knees?

From reader reviews:

Josephine Lowe:

Do you have favorite book? Should you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each book has different aim or perhaps goal; it means that reserve has different type. Some people experience enjoy to spend their time to read a book. They can be reading whatever they acquire because their hobby will be reading a book. What about the person who don't like reading through a book? Sometime, individual feel need book whenever they found difficult problem as well as exercise. Well, probably you will want this Valley Forge.

Clemencia Torres:

Playing with family within a park, coming to see the coastal world or hanging out with good friends is thing that usually you could have done when you have spare time, subsequently why you don't try matter that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Valley Forge, you could enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh seriously its mind hangout guys. What? Still don't obtain it, oh come on its known as reading friends.

Melvin Wilhelm:

Do you have something that you like such as book? The guide lovers usually prefer to decide on book like comic, small story and the biggest some may be novel. Now, why not seeking Valley Forge that give your enjoyment preference will be satisfied through reading this book. Reading practice all over the world can be said as the opportunity for people to know world much better then how they react toward the world. It can't be stated constantly that reading routine only for the geeky particular person but for all of you who wants to be success person. So , for all you who want to start reading as your good habit, you can pick Valley Forge become your current starter.

James Boyett:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Valley Forge can make you experience more interested to read.
