Nobody said senior year was going to be easy, but I wasn't expecting pure hell, either. That's right. HELL.

Demons attacking. Cheerleaders screaming. Vampires and werewolves asking where the bathroom is. Just another day here at St. Michael's Guardian Training Academy. It wouldn't be so bad if the administration would let me get back to my demon-slaying duties like every other angelblood on campus. But with my bondmate Jack promoted to head trainer, my annoying fiancé Luc trying to start a political uprising, and that pesky prophecy still floating around predicting I'm going to kill everyone I love...well, let's just say "complicated" took on a whole new meaning.

But things are looking up.

If I can survive Luc's deadly Sovereign Trials and keep my evil twin sister from starting a war, Jack and I might actually have a chance of saving the world. If not, at least I won't have to worry about what to wear to prom.

All's fair in love and war. Let the games begin.

Each book in the Angel Academy series is a standalone, full-length story that can be enjoyed out of order.
