Before ascending to heaven, Jesus instructed his followers to “make disciples of all nations.” But what does this command actually entail? What does it look like for Christians to care for one another’s spiritual well-being and growth? In this introduction to the basics of discipling, veteran pastor and author Mark Dever uses biblical definitions and practical examples to show how Christians can help one another become more like Christ every day. The eighth volume in the 9Marks: Building Healthy Churches series, this short book explains how discipling should function in the context of the local church, teaching pastors and church leaders how to cultivate a culture of edification and growth in their congregations.
