Gina never considered herself a mistress or the other woman, but that was her role in many of her relationships. She figured if she was successful at enticing these men to become strictly hers, then they never belonged to the other women in the first place. This time, things have caught up with Gina as she has developed a reputation not desired by many, and the man that she thought she finally had to herself is not exactly ready to be claimed.

Gina goes through the consequences of what she has done in her young years in attempting to get what she wants, not caring how it has affected others; this includes those closest to her. In her journey to face off with her demons and get things back on track, Gina learns about true love and how it comes when she least expects it. Will Gina continue to push love away, or will karma extend its stay and make her pay?
