Leadership in Health Care Jill Barr, Lesley Dowding

Leadership in Health Care is an authoritative and timely book that addresses the need for leading skilled and evidence based care within the context of a performance measured health service. The book offers invaluable support to those training to be health care professionals by identifying the breadth of leadership theory that they can apply to their own clinical practice. The authors also raise readers' awareness of the need for innovation in order to deliver a quality health service to a society with increasingly demanding expectations. The book covers a range of issues that health care professionals will face, addressing leadership from individual, team, and organizational frameworks.
