From Book 1: Book One in The Book of Sight Series

A book can be a wonderful gift.

When Alex received an unexpected package, she never dreamed the book it contained would change her life forever. After all, the words inside were gibberish.

She had no idea the places that book would take her, the friends that book would help her make or the wonders that book would reveal.

She had no clue the trouble that book would bring, either.

A book can be a dangerous gift.

When finished, continue the series with book two, The Broken Circle.
