The G.L.A.M. Girl's Guide to Sex Leah Hopkins

Sex is everywhere. You can turn off the television, never buy another magazine, and keep your children home until their grown, but we absolutely cannot keep them from learning about sexuality...and it would be wrong if we tried. Often people still grasping at some form of morality over-react to our sex saturated society and stick their heads in the sand, letting people make God's gift to a man and his wife, dirty. Our young people want to learn about this subject, and if their mentors zip their mouths and make it uncomfortable, they will go to other sources. The G.L.A.M. Girl's Guide To Sex is a book to teach young ladies that they need to prepare their hearts for purity so when they are faced with (and they will be at some point) the temptation to yield to the lust of the flesh, they will instead stand up for Christ. This is a must read for your teenage girl!
