The Tree of Life: From Eden to Eternity

John W. Welch, Donald W. Parry

The Tree of Life: From Eden to Eternity John W. Welch, Donald W. Parry

No image of eternal life is more powerful or persistent than the tree of life. From the paradisiacal Garden of Eden to the apocalyptic New Jerusalem, the tree of life dominates the landscape, being mentioned explicitly thirty times in the scriptures and alluded to on many other occasions. From the temple to the cross, the tree of life invites all to come unto Christ, to become planted by rivers of living water, to bring forth and enjoy the fruits of God's love that are sweet above all else. This uplifting and beautifully-illustrated book contains original essays by leading LDS and other scholars including Donald W. Parry, Daniel C. Peterson, Andrew C. Skinner, John W. Welch, and Margaret Barker that focus on the symbol of the tree of life in the Bible, early Christianity, and the Book of Mormon, as well as in Southeast Asian, Islamic, and Mayan temples, cultures, and art.
