Compawssion: Portraits Of Rescued Dogs - Special Edition This book sits in a deluxe, gorgeous clam shell box. Each box contains a hand-printed, Silver Gelatin Photograph signed by the author. Each, individual, limited edition book is numbered and signed by the author. COMPAWSSION: Portraits Of Rescued Dogs is a collection of indelible, moving, black and white portraits of rescued dogs. The photographs are a compelling kaleidoscope, sometimes funny and other times haunting, with an almost human-like quality to each picture. Frank Bruynbroek's work is moving, thought-provoking and it goes beyond what mere words could express. COMPAWSSION is a stirring combination of art, activism, and authenticity. Bruynbroek's passion for animal causes is a rousing call to action in a world that is largely unaware or insensitive to the woeful mistreatment of animals. Indeed, through photographs that matter, COMPAWSSION will raise awareness. These portraits are infinitely more than just pictures of dogs; they are profound statements about the nature and sanctity of life. Frank Bruynbroek personally interviewed twenty-five celebrities that have a rescued dog. They talk about what it means to rescue, save and care for a dog. Three chapters of poignant and inspiring stories of how the dogs have made an impact on their lives are laced throughout the book.
