The Letter I Dennis Rhodes

In his first two books, *Spiritus Pizza* and *Entering Dennis*, poet Dennis Rhodes trained his singular voice and keen eye on the challenges of coming of age in a world overshadowed, if not defined, by HIV. His subjects were people and places on the Upper West Side of Manhattan and fabled Commercial Street in Provincetown. A long-time survivor of HIV (25 years), Rhodes wrote with urgency, wit, and caprice, struggling to find his place in a tenuous culture of medical and political advances. Rudy Kikel, longtime arts editor of Boston's *Bay Windows*, pronounced Rhodes a "poet's poet." In his work as literary editor of *Body Positive* magazine and as host of Poets Corner on P'town's WOMR-FM, Dennis Rhodes championed a dazzling array of gay poetic voices. *The Letter I*, the poet's first book in ten years, follows Rhodes into middle age, addressing matters of love, sex, faith, art, and friendship early in a new century.
