The Name of the Wind (KingKiller Chronicles) By Patrick Rothfuss(A)/Nick Podehl(N) [Audiobook] - Brilliance Audio on CD Unabridged-

AUDIO CD - My name is Kvothe I have stolen princesses back from sleeping barrow kings. I burned down the town of Trebon. I have spent the night with Felurian and left with both my sanity and my life. I was expelled from the University at a younger age than most people are allowed in. I tread paths by moonlight that others fear to speak of during day. I have talked to Gods, loved women, and written songs that make the minstrels weep. You may have heard of me. So begins a tale unequaled in fantasy literature ? the story of a hero told in his own voice. It is a tale of sorrow, a tale of survival, a tale of one man's search for meaning in his universe, and how that search, and the indomitable will that drove it, gave birth to a legend. It is a rare and great pleasure to find a fantasist writing...with true music in the words.
