A History of Scotland (Penguin History)

J. D. Mackie

A History of Scotland (Penguin History) J. D. Mackie

A history that is equally entertaining and enlightening, illustrating all of the changes of power and intricacies that are necessary to understand the interrelation between England and Scotland and the Highland and Lowland populations. It shows how Duncan (1034-40) emerged from 'the union of the four peoples' as the first king of a united Scotland and provides detailed, reign-by-reign accounts from then on. Above all Professor Mackie reveals how the Scots long pursued an independent line - in religion, law, culture and foreign policy - that helped them keep at bay the Romans, the French and the English.
