Just when you thought it was safe to go back to Pegramville...

Oh no! Bubba's got problems...again! For months, Pegramville and Pegram County have been relatively peaceful. But then there's the "attack" of the Pegramville Murder Mystery Festival, organized by none other than Miz Demetrice herself. Who knew people would make fun of the murders that happened in their own town? To add a spoonful of hot pepper to the mix, the local judge has just announced his run for the gubernatorial seat of Texas, and The Purple Singapore Sling has a new persona, causing all kinds of confusion, chaos, and commotion.

During the midst of the festival madness, Bubba's truck has broken down, and he's found a cache of original car parts. One of the boxes contains a lost soul's plea that may be as old as the antique truck, "If someone finds this note, then I have been murdered. My name is M—."

And you thought small towns were boring...
