Dogbert's Top Secret Management Handbook Scott Adams

The creator of *Dilbert*, the fastest-growing comic strip in America (syndicated in more than 900 newspapers and read by more than 60 million people), presents a hilariously biting compilation of cartoons that expose the absurdities of corporate management. Dilbert is sweeping the nation. *The San Francisco Chronicle* dubbed him "the cartoon hero of the workplace," saying that the strip "has its finger on the pulse of the '90s white-collar workplace." Now online, it is one of the hottest Web sites on the Internet, and more than a million copies of the *Dilbert* cartoon books have been sold.

Dogbert's Top Secret Management Handbook uses pithy essays, whose points are illustrated with hundreds of comic strips, to drive home the lost cause of the employee in the workplace. It is the perfect gift for bosses and office workers everywhere.
