## **Dominion (The Dominion Series) (Volume 1)** S. E. Lund

Eve Hayden had no idea what to expect the night she went in search of a translator for an 800-year old French illuminated manuscript but it certainly wasn't what she found -- Michel and Julien de Cernay: 800-year old identical twin vampire brothers – beautiful, temperamental opposites, both wanting her for themselves. Michel -- dark, brooding, control-freak, former priest who broke his vows the night he was turned into a vampire. Julien -- impetuous, valiant, passionate, a brave knight who lost his life on a battlefield when a vampire claimed him. Caught between the two brothers, Eve searches for the truth about her mother's death, her birth, and the fight to prevent Dominion – vampire rule over humans. Eve's mother gave her life to keep Eve safe, but was unable to protect herself. Now, Eve can't escape this fate nor can she escape them -- even if she wanted to. This is her story. NOTE: Intended for 18+ due to explicit content and language.
