*This is a 7,700 word bonus short story from the Shadow Maverick Ranch series.*

You've been cordially invited to the wedding of Gavin Mathis and Lauren Delgado.

Gavin has waited long enough to make Lauren his. He is counting the days until he will stand before his family and friends and pledge his life to hers. For better or worse. Forever.

Lauren is more than ready to say her vows, but with the construction of their new home far behind deadline, she knows there's only one thing she can do ... cancel the honeymoon so she and Gavin can supervise the completion themselves.

Gavin knows arguing with Lauren will get him nowhere. But missed deadlines aren't worth missing a pleasure-filled week alone with his bride-to-be.

It's time to take matters into his own hands...
