**Cases and Materials on Civil Procedure** David Crump, William V. Dorsaneo III, Rex R. Perschbacher, Debra Lyn Bassett

The Sixth Edition includes new landmark cases and reflects recent changes in procedural rules and practice. While essentially a traditional casebook organized along the lines of the events in a lawsuit, this new edition of **Cases and Materials on Civil Procedure** retains the unique features that have made prior editions a success, including:

- "Chapter Summary Problems" - optional comprehensive problems requiring the student to "put the chapter together" and apply to the problems the material addressed in the chapter
- "Improving the System" sections challenging students to think more deeply about cutting-edge issues
- Litigation documents showing actual litigation sequences, including the motion for summary judgment in *Jones v. Clinton* and excerpts from the jury selection, the court's charge, and the final arguments in *Pennzoil Co. v. Texaco, Inc.*
- "How to Read This Case" notes precede particularly difficult cases
- Traditional federal materials are supplemented with an introduction to differing practices of three benchmark states: California and Texas
- A chapter devoted to Alternative Dispute Resolution methods

**Cases and Materials on Civil Procedure** is supplemented annually. A comprehensive Teacher's Manual is available to professors.
