More than any other skill in business, or in life, the ability to connect with yourself and other people is the most transformative. It can change the most stuck situations in your life and free up storehouses of energy, success, happiness, and love. In this book, life and executive coach David Giuliano offers powerful techniques for creating the authentic connections that become possible when you tap into your genuine passions and talents, then carry that essence of yourself into every interaction. Doing that, and allowing other people to do the same, unleashes resources for solving problems in every arena—business, personal relationships, health and spirituality. And, Giuliano teaches, it all flows from being exactly who you are. You can become a master of connection. As Choose Connection will show you, you're already on your way.

Samantha Green:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Choose Connection: The path toward authentic personal, professional, and spiritual transformation can make you experience more interested to read.
