Euforia (Portuguese Edition) Lily King

Considerado um dos melhores romances de 2014 pelo The New York Times e pelo The Guardian, livro compõe um delicado triângulo amoroso entre antropólogos durante uma viagem à Nova Guiné

Euforia conta a história da antropóloga Nell Stone, que em uma viagem pela Nova Guiné com seu marido Fenwick encontra Andrew Bankson, um antropólogo menos experiente que acaba se apaixonando por ela. A antropologia, ciência que começava a se popularizar na década de 1930, serve de pano de fundo para uma história de amor e cumplicidade.

O livro, que entrou para a lista dos mais vendidos do New York Times, é inspirado em um período da vida de Margaret Mead, antropóloga que se tornou famosa nos Estados Unidos ao estudar a influência da cultura no comportamento de crianças e adolescentes em diferentes povos. Mead e seu segundo marido, Reo Fortune, trabalhavam na Nova Guiné quando conheceram Gregory Bateson, que se tornou o terceiro marido da pesquisadora.

Bankson, Nell e Fen se encontram enquanto o casal prepara uma viagem para a Austrália e Bankson convence os dois a ficar na Nova Guiné por mais tempo. A permanência de Nell e Fen estreita o relacionamento entre o trio. Após anos vivendo entre os nativos, Bankson encontra em Nell alguém com quem conversar sobre seu trabalho. Ela confia nele, expõe suas ideias e se sente ainda mais empolgada com a própria pesquisa. Enquanto isso, Fen, intimidado pelo reconhecimento alcançado pela esposa, cuja carreira começa a despontar, torna-se cada vez mais arredo, revelando seus sentimentos e inquietações a Bankson.

A relação entre os três alterna momentos de afeto, rivalidade e tensão que irão prender e emocionar os leitores. Lily King usa as memórias de Bankson e os diários de Nell para revelar os detalhes de uma história de amor que conquistou a crítica e o público e será adaptada para o cinema por Michael Apted, diretor da série *Masters of Sex* e de filmes como *007 – O mundo não é o bastante* e *Nas montanhas dos gorilas*.
