Find the Vowel - Read the Rime - Learn to Read Miriam Cherkes-Julkowski Ph.D.

"find the vowel" READ THE RIME, LEARN TO READ shows parents and teachers that reading is not a random sea of mysterious rules. Reading is a systematic code where groups of letters stand for speech sounds. "find the vowel" shows what reading truly is and how ambiguities and confusions are resolved within the rime portion of the word (ag in rag, age in rage). This is a how-to book with many examples of how children are able to intuit rime patterns and how parents and teachers can help them do it. With support for articulating phonemes, children can use their easy, intuitive grasp of the critical structures of reading to gain fluency and build toward sophisticated, multisyllable word reading skills.
