Hidden Catherine McKenzie

When a married man suffers a sudden fatal accident, two women are shattered — his wife and his mistress — and past secrets, desires, and regrets are brought to light.

While walking home from work one evening, Jeff Manning is struck by a car and killed. Two women fall to pieces at the news: his wife, Claire, and his co-worker Tish. Reeling from her loss, Claire must comfort her grieving son as well as contend with funeral arrangements, well-meaning family members, and the arrival of Jeff's estranged brother, who was her ex-boyfriend. Tish volunteers to attend the funeral on her company's behalf, but only she knows the true risk of inserting herself into the wreckage of Jeff's life.

Told through the three voices of Jeff, Tish, and Claire, *Hidden* explores the complexity of relationships, the repercussions of our personal choices, and the responsibilities we have to the ones we love.

From reader reviews:

William Marquis:

Have you spare time for the day? What do you do when you have more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent their own spare time to take a move, shopping, or went to the Mall. How about open or even read a book eligible Hidden? Maybe it is to become best activity for you. You understand beside you can spend your time along with your favorite's book, you can wiser than before. Do you agree with it is opinion or you have different opinion?

Clarence Anderson:

As people who live in often the modest era should be upgrade about what going on or details even knowledge to make these individuals keep up with the era that is always change and move ahead. Some of you maybe will update themselves by reading through books. It is a good choice for yourself but the problems coming to an individual is you don't know what kind you should start with. This Hidden is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

Michael Hollinger:

Reading a reserve tends to be new life style in this era globalization. With reading you can get a lot of information which will give you benefit in your life. Having book everyone in this world may share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the textbooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some investigation before they write to their book. One of them is this Hidden.

David Baxter:

Typically the book Hidden has a lot details on it. So when you read this book you can get a lot of advantage. The book was written by the very famous author. Tom makes some research just before write this book. This specific book very easy to read you can find the point easily after looking over this book.
