Skin Deep

Charles Burns

Skin Deep Charles Burns

Classic stories starring Dog Boy and Mister Blister, as well as several tales of doomed romance and creepy revulsion, plus a selection of sketchbook excerpts, covers and illustrations.

Charles Burns is the creator of the landmark horror graphic novel *Black Hole* (in development as a major motion picture directed by David Fincher). *Skin Deep* is the third (following *El Borbâh* and *Big Baby*) of a series of three volumes reprinting his acclaimed oeuvre up to *Black Hole*. *Skin Deep* includes Burns's popular character Dog Boy (a red-blooded all-American boy with the transplanted heart of a dog) and the classic strip "Dog Days," in which a hash-slinging vixen wags her tail at our fearful hero. The book also collects "Burn Again," which features a strange fella named Bliss Blister, claiming to bring the Word of God, but some fear he brings something evil and profane. In "A Marriage Made in Hell," a young wife's flesh tingled with passion, but the sight of her made her husband's skin crawl. Was the love-knot she tied really a hangman's noose? These tales of doomed romance set a tone for the rest of *Skin Deep*. In addition to the comics, *Skin Deep* includes several pages of new illustrations reprinted from Burns's sketchbooks as well as covers and other pieces from foreign editions of Burns's work. 96 pages of b/w comics
