War of the Black Tower: Part One of an Epic Fantasy Series (The War of the Black Tower Trilogy Book 1) Jack Conner

When a dark power rises, only a cursed prince can stand against it.

“War of the Black Tower: Part One” is the first volume of a dark, action-packed epic fantasy trilogy like no other.

"This is a must read for fantasy lovers. This is one of the best epic fantasy stories I have read. The entire series had me enthralled from the moment I began reading. I highly recommend this trilogy and the War of the Moonstone books for anyone who enjoys a superbly written fantasy adventure."

--Amazon review

Baleron is the youngest son of the king of Havensrike, a land eternally at war with the dark empire of Oslog to the south. Ruled by the dark lord Gilgaroth, the legions of Oslog have continually striven to tear down the works of man and sweep the world in shadow. For eons they have awaited their dark lord's Chosen One, he who will be appointed by Gilgaroth to usher in the next age of shadow.

That time is now. Baleron, though a womanizer and rogue, the black sheep of the royal family one step from being kicked out of the castle, is loyal to the kingdoms of the north and wants only to redeem himself in his father's eyes. But as Baleron leads his sister Rolenya's wedding party through the treacherous Aragst Mountains, they're set upon by the dark powers, and the thralls of the Dark Lord call out to Baleron in worship, calling him the Chosen One.

??? This is just the beginning of Baleron's epic journey of action, romance, wonder and discovery in "War of the Black Tower: An Epic Fantasy".

He'll know battle, hardship, the enmity of a terrible dragon, and all the terror of Oslog before he can find out what it means to be the Chosen One of Gilgaroth, and what it takes to throw off his dark destiny.

What are readers saying?

"Thank you, Mr. Connor, for restoring my faith in a genre that I had nearly abandoned!"

-- J. C. Smith, Amazon

"I love this book! Awesome epic fantasy action."

-- Manchester, Amazon
