## **Letter to my unborn- Part 1** LIFLAF

The first moments of realization that I will become a dad. A diary. Updated every couple of weeks from January 2009 up to date (July 28th, 2009). The love for my wife. The great happening in my life and growing glow for what is about to happen. A work in progress. Ending Mid September (Part 2 to follow) and a sequel in the making; Letter to my little girl. I do apologize for my English grammar and literature challenges, I am a Dutch guy enjoying the US for 5 years now and a first publisher.
