The Minister's Manual for Deliverance lays out an easy to follow approach to deliverance and how to have a structured session. The design of this book is both a manual and workbook with plenty of room to write and journal. No case studies or stories, just professional guidance for anyone that has been called into this ministry or someone that is hurting and has no one to turn to. These prayers have been developed through years of prayer and ministering to victims of abandonment, molestation, Satanic Ritual Abuse and more through deliverance and inner healing. As people received freedom they would request copies of these prayers for loved ones and friends and now they are available to anyone seeking help. If you have been called into the deliverance ministry and are seeking session structure, if you are a minister experiencing spiritual situations in your church and would like to deal with them in a Biblical manner or if you are someone seeking self-deliverance, this manual is for you. Subjects Covered: • Session Preparation • Anointing • Curse-Breaking • Generational Curses • Forgiveness • Soul Ties • Abandonment • And More
