Special Agent Rachel Kegan of the Intergalactic Department of Justice is sent on an undercover assignment. She must pose as a fighter for the Galactic Cage Fighters Association, GCFA, in order to investigate the disappearances of several human women. In the midst of all the blood and broken bones common in this sport, she finds herself attracted to a half-human, half-alien fighter with an inner beast--literally.

Rage the Animal is angry that a pure human female has been hired to travel on the GCFA tour circuit. No matter what he says or does, or how hard he tries to intimidate the little human, she refuses to quit. Normally he could ignore the human, but something about her stirs his inner beast and leaves the man--unable to resist.
