The Bell Jar LP Sylvia Plath

The Bell Jar chronicles the breakdown of the brilliant, beautiful, enormously talented, and successful Esther Greenwood, a woman slowly going under -- maybe for the last time. Sylvia Plath masterfully draws the reader into Esther's demise with such intensity that the character's insanity becomes completely real, even rational -- as probable and accessible an experience as going to the movies. Such deep penetration into the dark and harrowing corners of the psyche is an extraordinary accomplishment and has made *The Bell Jar* a haunting American classic.
