## **The Gernsback Days** Mike Ashley

'In recent years there has been a resurgence of interest in Hugo Gernsback, and the start of a serious study of the contribution he made to the development of science fiction. . . . It seemed to me that the time was due to reinvestigate the Gernsback era and dig into the facts surrounding the origins of *Amazing Stories*. I wanted to find out exactly why Hugo Gernsback had launched the magazine, what he was trying to achieve, and to consider what effects he had-good and bad. . . . Too many writers and editors from the Gernsback days have been unjustly neglected, or unfairly criticized. Now, I hope, Robert A. W. Lowndes and I have provided the grounds for a fair consideration of their efforts, and a true reconstruction of the development of science fiction. It's the closest to time travel you'll ever get. I hope you enjoy the trip.'-Mike Ashley, Preface
