Not Just Cartoons: Nicktoons! Jerry Beck

Not just Cartoons: Nicktoons! is the first book to collect all thirty-one of the groundbreaking cartoons into one dynamic volume. Fans will soak up the behind-the-scenes access to their favorite shows--whether it's seeing the original claymation figures from the lovable hit *Hey Arnold!*, original animation cells from the absorbing *SpongeBob SquarePants*, or the irreverent *Ren & Stimpy* characters like you've never seen them before. The creators and producers behind each show recall how a kernel of an idea transformed into a fully realized cartoon. There are the sketches that creators brought to the pitch meetings, storyboards that show how the writers and illustrators plan their shows out, and tons more. With a green, slime-filled cover, *Not Just Cartoons: Nicktoons!* is the must-have for every animation enthusiast, design aficionado, and cartoon fan alike!
